

Pre Qualification Conditions

For the work of Updation of Geographical Information System (GIS) and development of GIS based web site for Kanpur Nagar Nigam (KNN) and Supply & Fixing of House Number Plates.

S. No.	Name & Address of the Firm	The firm should be financially and technically sound. (Last three years balance sheet attached)	Five year experience in the field of GIS	The firm should have completed GIS work in the field of GIS like		GIS experience at least two major cities minimum of 200 sq km using IKONOS data.	Firm personnel details minimum of 30 persons to be deployed for this project.	Valid legal licenses of the software for producing the data in geo database structure.
01.	Consulting Engineering Services India Pvt. 57 Nehru Place, 5 th Floor, New Delhi-19 Tel: 011 26485284, Fax: 011 26460409 ites@cesinter.com , akg@cesinter.com	Yes	Yes	1. GIS ground survey.	1. GIS for Maharastra Remote Sensing Application Centre for total area 450 sq km on 1:25 00 scale. 2. Comprehensive Master Plan for Guwahati Metropolitan area for total area 270 sq km on 1:30,000 scale. 3. Master Plan for Visakhapatnam Metropolitan Region cover the total area of 1721 sq km. of five Municipal towns on 1:8000 & 1:25000 scale. 4. Computer aided land record automation and GIS based <i>comprehensive information</i> as corporate decision support system for Greater Noida Industrial Development Authority. 5. GIS for Land use Development plan for Haldia Development Authority the total area of 325 sq.km. 6. GIS for regional plan, GOA. 7. GIS for 10 Urban Local Bodies under SUDA, within West Bengal. 8. GIS for landuse maps for two districts of Orissa.	Yes	Yes	Yes
				2. Renumbering and fixing of number plates.	No			
				3. Suply of Hardware.	1. Soil Health System Development Consultancy, delivery, Supply, Installation, support project.			

				4.Development/Supply of GIS Software.	<ol style="list-style-type: none"> 1. Development of Road Information system for National Highways. 2. Web based Management system for Lok Jumbish Parishad, Rajasthan. 3. Forest Management Information System for UP forest department. 4. Application Software for NCB. 5. Computerized Land record automation and GIS based comprehensive Information system as Corporate Decision Support System for Greater Noida Industrial Development Authority. 6. Establishment of Early Warning System for Indian Agriculture. 7. Conducting Computer Course in 15 different colleges of Tripura under directorate of Higher Education. 			
				5.Development of GIS based web site.	<ol style="list-style-type: none"> 1. Web based Management Information system and CD based Telephone Directory for BSNL, West Bengal. 2. Web site development for BC Roy Engineering College. 3. Web site development of Burdhawan University. 4. Up gradation of Web-site for trow.com. <p>Note: But none is in GIS based.</p>			
02.	RITES Limited No.1, Sector-29, Gurgaon-122001 Tel: 0124 2571666 Fax: 0124 2571660 info@rites.com	Yes	Yes	1.GIS ground survey.	<ol style="list-style-type: none"> 1. The GIS survey work has been done in a total area of 279 Sq.km at 1:1000 scale for Delhi State Industrial Development Corporation, New Delhi. 2. Computerization and Geo-referencing of Village Maps at scale of 1:25000, Chhatishgarh State. 3. Gujrat Gas Company Limited (GGCL)-Creation of GIS database and digitization of GIS maps approximately 118 sq km. at a scale of 1:1000 with the help of 1meter resolution IKONOS imagery. 4. Develop the maps of the Urban areas at a scale of 1:1000 and further develop suitable model for property tax enhancement for Department of Science and Technology. 	Yes	Yes	Yes
				2. Renumbering and fixing of number plates.	No			
				3.Suply of Hardware.	No			
				4.Development/Supply of GIS Software	1. Consultancy to Eicher good earth for E-Router Application Development.			
				5.Development of GIS based web site.	No
